44517 Appraisal \$16,800

To Whom It May Concern:

This is to certify that we are engaged in the business of rare coins, precious metals, diamonds, watches, jewelry and precious stones. We certify that we have this day carefully examined the following listed and described articles for the benefit of:

The following is a description and estimated replacement evaluation of the items submitted for appraisal. The value was determined by systematic evaluation of the gems, metals and quality of construction. The conclusions drawn are based upon subjective opinions of these qualities and other estimations. Appropriate tests and instruments were used within the limitations imposed by the make-up of the items.

This appraisal should not be used as a definitive guide in comparison shopping. Neither this firm or its employees assume any liability with respect to any action that may be taken on the basis of this appraisal. The use of this appraisal in public advertising is forbidden. This appraisal is for insurance replacement cost only and is not an offer to purchase.
